WELCOME!

We would like to invite you to sponsor this annual family event, where you can access unique opportunities! These include promotion of your company, through marketing your brand, having your logo displayed on key advertising material and on the day providing opportunities for you to meet with key consumer groups who want to show their support for your contribution to our region.

This year's expo is brought to you by Step 2 Growth and aimed at community organisations, parent support, products, services, and childcare. Our aim is to support our Marlborough families to discover what is on offer in our region and to have a fun day out for the whole family!

More than 700 people attend the Expo annually, it has a good reputation among a wide audience of Marlborough parents with children aged 0 – 6 years, as well as grandparents and others looking for family related products and gifts. The Marlborough Lines Stadium 2000 offers lots of space and options for everyone. We will continue to attract visitors by offering goodie bags on arrival and spot prizes.

This year's theme is local supporting local – we want to acknowledge and celebrate the hard work of all services available to us in Marlborough, ensuring you all have the opportunity to meet new and existing clients while acknowledging and supporting their loyalty.

This event gives you the opportunity to develop your product and service awareness and strengthen sales by attending and being part of this amazing public event focused on families in our community.

We look forward to seeing you in November for the annual Parent and Child Expo!
