Welcome!

We would like to invite you to attend this year's Parent & Child expo event as an exhibitor. You can access unique opportunities to promote your company, market your brand and meet with key consumer groups who want to show their support for your contribution to our region.

This expo event is hosted by Step 2 Growth and is aimed at community organisations, parent support, products, services and childcare. Our aim is to support our Marlborough families to discover what is on offer in our region, making connections and creating a fun day out for the whole family!

More than 700 people attend the Expo annually, it has a good reputation among a wide audience of Marlborough parents with children aged 0 – 6 years, as well as grandparents and others looking for family related products and gifts. The Marlborough Lines Stadium 2000 offers lots of space and options for everyone. We will continue to attract visitors by offering goodie bags on arrival and spot prizes.

This year's theme is local supporting local – we want to acknowledge and celebrate the hard work of all services available to us in Marlborough, you all have the opportunity to meet and support existing clients by acknowledging and supporting their loyalty.

This event gives you the opportunity to develop your product and service awareness and strengthen sales by attending and being part of this amazing public event focused on families in our community.

We look forward to seeing you in November for the annual Parent and Child Expo!

2022 is the year to support local and focus on our haora/ well-being!

Marketing your brand to key audiences

Create videos to share and link in with the Parent and Child expo website and media pages (Facebook and Instagram). If you have discounts to offer on the day advertise this early!!

Want to make a bigger impact? Have you thought of sponsoring the event?? You will have the opportunity to be placed front and centre (stall and advertising in the entry to the venue). Your logo could be part of all the advertising too!!

We believe it is a strategically important opportunity for you to promote and sell your products and services to your key target market. The Expo will be supported by a strong marketing campaign including print media, and social media outlets. We will also provide exhibitors with opportunities to promote their brands both in the lead up to and during the expo. We will highlight your attendance at the Expo by providing you the opportunity to advertise your business (including your description and your web page or Facebook page) via our Facebook page and website.

Got something to offer or giveaway?? Why not create a promotion around your attendance, tapping into your current key followers whilst creating new leads, likes and followers! Tag us in your social media posts too so we can share on our page, let's ensure this event reaches more people so this event is successful on the day for you!

The website will provide online visitors the opportunity to see who will be present each year with links to your business page and/of website 😊.
